

Why isn't my life making me happy?

Why does my life feel out of control?

Why isn't positive thinking working for me?

# “Mastering the Law of Attraction”

If you believe the information in “The Secret” but you haven't yet proven the truth of it in your life, this workshop helps you make the leap from ‘head-knowledge’ to reality.

**Activities**

lead to

**Benefits**

Become aligned with your Soul's contract.....Achieve whole-souled congruency.

Choose the Life-Stream which matches that alignment.....Live your life 'in the flow'.

Begin your Meta-Physical Life Plan.....Live a multi-level plan that is clear and concise -- more effective than just 'goal setting'.

Learn a proven technique for manifestation which is used successfully by people around the world.....Effectively use the Law of Attraction.

Learn what Spiritual Language is and how to use it.....Accelerate manifestation by using it with your technique.

Understand why it seems that 'things aren't working' for you.....Learn how to avoid pitfalls which lead to frustration and lack of success.

Remove the blockages to success -- from this life and past lives.....Make attraction techniques more successful than you ever dreamed!

Date: March 25, 2007
